

## **BOREHOLE PROJECT – EKANDUSTRIA – DRILLING OF FOUR (4) BOREHOLES**

Southern Africa Philanthropy Foundation (SAPF) is pleased to invite qualified contractors to submit quotations for the drilling of four boreholes in the Ekandustria area. This project aims to provide sustainable water sources to the local communities, enhancing their access to clean and reliable water. Interested parties are encouraged to review the detailed project specifications and submit their quotations by the specified deadline.

### **Process**

- A compulsory site visit.
- A quotation for the work to be executed
- Submission of the documents listed below.
- Adjudication and appointment of the contractor to drill, install, test and set up the boreholes.

### **Requirements:**

- Valid company Tax Clearance Certificate
- Certified copy of the company registration certificate
- Company profile with clear references to experience on similar projects, quality of work and completed projects
- Proof of capacity and resources relevant to this scope of work, including financial viability
- B-BBEE Verification Certificate
- Report specifying the use of local labour (Ninety percent (90%) general workers up to semi-skilled workers needs to be recruited and employed from the local citizens residing within the local municipal area or Fifty percent (50%) Artisan/Skilled workers need to be recruited and employed from the local citizens residing within the local municipal area)
- Copy of CIDB grading

## **BOREHOLE PROJECT – EKANDUSTRIA – DRILLING OF FOUR (4) BOREHOLES**

- Valid Letter of Good Standing (COID)
- Preliminary Occupational Health and Safety “OHS” Plan
- Company Baseline Risk Assessment
- Example of project and task specific Risk Assessment
- Synopsis of SHE compliance and incident records for last 6 months
- Preliminary construction schedule (Commencement, Milestones/Key dates and Practical Completion should be indicated).

Interested parties who comply with above should email their details and the relevant documents mentioned above, **by 10 April 2025** to [procurement@sa-pf.org.za](mailto:procurement@sa-pf.org.za) . Further information regarding the site visit and scope will be communicated in due course.

**Please note that the submission of the lowest quotation and the required documents does not automatically qualify the bidder for appointment to conduct the advertised work. All submissions will be subject to a thorough evaluation process to ensure compliance with all specified criteria and requirements.**
